Helpful Hints & Information for Parents

- **MAKE SURE STUDENTS NAME IS ON EVERYTHING**
- **Send all their shoes and costumes back with them for the rehearsal and the show, we suggest you put all their things in a box (not a bag),** send that box back with them to avoid mixing up their things with other students,-A box is easier for the students to find what they are looking for, especially if they have a quick change, its easier to pull out and throw in whatever they need if they have a box rather than digging through a bag -You can use a cardboard box (whatever sized they can fit all they need) and have them decorate it so they know exactly which one is theirs.☺
- **Arrive Early!**-This is a busy day for the children and we want them to have as much time to get settled in as possible. Please allow time for parking, walking to the auditorium, finding the dressing area, and setting up your child's dressing area. Elevation is about a 20-25 minute drive from the studio during light traffic times so plan ahead so you will arrive on time for dress rehearsals & shows
- **Finding Dressing Areas**-When you enter the Auditorium from the lobby, go to the left hallway, you will see the dressing room signs for you to follow
- **Make-up Hair**-Have hair and make-up done prior to your arrival and just bring a little make-up for them to touch up with-usually lip gloss/stick, blush and powder
- **"Saving of Seat"** -is only allowed for our Graduating Seniors-anything left in seats, on seats, or on top of seats for the purpose of saving seats will be removed.
- **ABSOLUTELY NO FOOD OR DRINK** allowed in the auditorium-anyone caught eating or drinking in the auditorium will be escorted out, you may have food or drink outside the auditorium in the atrium area only!
- **NO VIDEO CAMERAS** will be allowed the day of the performance (due to copyright laws) DVDs will be available to purchase.
- **NO FLASH PHOTOGRAPHY** is allowed (for the safety and comfort of our performers).
- **ADFA Company Spring Concert:** Everyone is invited to attend our company Spring Concert on Friday June 20th; this show features our ADFA Competition Companies.
